EXPERIENCE BUILT IT. STYLE DEFINES IT.

1 PosiDrive System

The all wheel PosiDrive system delivers 50% more torque and is the most reliable and efficient drive train on the market. Durable plastics and stainless steel hardware ensures years of dependable service.

2 SuperBag

With an easy twist-release connector and full-zipper access, the Polaris 3900 Sport Superbag can easily be removed and cleaned.

Its 5 litre capacity makes it 40% larger than the average filter bag and also means more debris pick-up with fewer stops to empty the bag.

3 WideTrax Tyres

The Polaris 3900 Sport comes equipped with extra thick low profile tyres (WideTrax) for superior climbing and manoeuvrability.

4 3 Vacuum Jets

With the most vacuum power of any 3 jet cleaner, the Polaris 3900 Sport supplements your filtration system by circulating an additional 150 litres of water per

5 Sweep Hose

The Polaris 3900 Sport vacuums, sweeps and scrubs the walls and floor of any size or shape pool. The Sweep Hose provides effective cleaning even in tight, hard-to-reach areas.

6 Translucent Housing

The stylish housing provides superior resistance to UV discolouration and improved weatherability.
